Dear PGA TOUR Player

Congratulations on achieving a goal that so many pursue --- qualifying for the PGA TOUR!

Your accomplishment allows you to compete against the game's best players while representing our sport on the world stage.

As you may know the PGA of America conducts the PGA Championship and Ryder Cup. Yet our lifeblood remains our PGA Professionals, who are dedicated to growing the game and advancing the golf profession.

As a member of the PGA TOUR you have the opportunity to join our ranks as a A-3 (Tour Player) classification that gives you access to many of the benefits enjoyed by PGA Members. These benefits include liability insurance, which covers you any time you are practicing or competing in a tournament, as well as financial planning that can help secure you and your family's future. To join our Association and experience these and many more benefits immediately, simply fill out the enclosed application

If you have any questions about PGA of America Membership and the benefits you receive by joining, please call, or have your team reach out to, PGA Membership Services at (800) 474-2776.

We wish you great success on the PGA TOUR and are hoping to see you at our PGA Championship in May at Oak Hill.

Sincerely,

Jim Richerson, PGA
President
PGA of America
